June 11, 2010

Mr. Adam Grant  
Compsolve, Inc.  
877 Hopkins Rd.  
Williamsville, NY 14221

Dear Mr. Grant,

We recently had a safety seminar presented by Howard Walker here at Bennett Electric. We found it to be the most informative and best overall program we have ever had. He kept it interesting throughout the four-hour program, which is hard to do.

We at Bennett Electric thought you might like to know how well Howard represents Compsolve.

Sincerely,

A handwritten signature in black ink, appearing to read "Daniel L. Stewart". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Daniel L. Stewart  
President
